

East Side Union High School District
Calero High School
Application
2013-2014

The following documents are required to be included in your application packet:

- Application (this form)
- Enrollment Form
- Attendance History – Obtain this from the attendance office at your home school
- Grad Inventory – Obtain this from the counseling office at your home school

Dear Parents/Guardians:

We are pleased to offer this opportunity for current 9th and 10th grade students who have experienced limited success at large comprehensive high schools. Calero offers a small supportive environment designed to create student success. Calero offers a college preparatory curriculum and expects all students to graduate ready for college and careers. It takes a strong family commitment to attend Calero. Please acquire and complete all documents required for this application and have your child complete the required student response (next page). It is critical that the entire family recognize the advantages, commitments, and limitations of Calero High School prior to applying. Please read our brochure carefully and ask any questions that you may have. There will also be a mandatory orientation/interview once the completed application is received and evaluated.

This is an application only and does not guarantee acceptance to Calero. ESUHSD will not provide transportation; transportation to and from school is the responsibility of the parents/guardians.

The information in all documents provided in this application packet is accurate and complete.
